27th March 2018

Dear Parent /Carer

As we approach the end of our second term this academic year may I take this opportunity to thank you all for your continued support. Along with vast improvements in student behaviour, I have been equally proud of the attitude and focus shown by Year 11 students as they complete their GCSE mock exams, attend revision classes and demonstrate their resilience, maturity and commitment to their learning. Our Year 11 students have been exceptional ambassadors for the academy and I wish them luck as they approach their final exams and take the next step in their Post 16 journey. I have also been extremely proud of all our students in relation to their attitudes to learning, behaviour and maturity through an extremely difficult time for all.

The academy will close for the Easter holidays on Thursday 29th March @ 2.30pm (normal academy finish) however, there will be no Year 11 intervention running.

Students will return to school on Monday 16th April 2018.

Please see below some information reminding you of the timings of the academy day April 2018:

- The academy building will be open to students from 8:00am each day – no students will be permitted on site before this time.
- All students must be on-site by 8:25am.
- Lessons will start at 8:30am so it is essential for students to be in the academy by 8:25am.
- Normal lessons will finish at 2:30pm.
- Additional lessons, to support our students, will be held on specific days for specific students. These additional lessons will finish at 3:30pm.
- There will be extra-curricular activities available at the end of the academy day for students to participate in. Details of these activities will be shared when we return back.

May I take this opportunity to thank you all again for your continued support and wish you and your families a happy and safe break.

Yours faithfully

Miss K J Wright
